Dear <REDACTED>

Thank you for your contact to Taiyo Yuden Co., Ltd.  
This is Customer Service Center of Taiyo Yuden in Japan.  
Let us answer to your question as below.

Taiyo Yuden announced its withdrawal from optical disk business in June 2015, and has completely stop manufacture and sales of its optical media products since January 2016.

Taiyo Yuden brand's ownership still belongs to Taiyo Yuden Co.,Ltd and has never been transferred to the third party.

However, our products might have been still sold in the market from inventory of our distributors, resellers and etc.

Regarding 'new TY media' in your e-mail, we regret to say that we are not in a position to answer such questions, since the product detail is unknown to us.

We recommend you to ask to the supplier of your commented "new TY media" directly.

Sincerely Yours.
